

Introducing the e900 series

Enovate e997 Articulating Arm with  
Optional eDesk and Extension Arm

Simple. Clean. Flexible.

*Designed to give clinicians the needed flexibility in any environment.*

MADE IN USA

Designed to accommodate a variety of medical arenas, the e900 series wall arms provide a space-saving solution without compromising the needs and accessibility of the clinician's unique work environment.

Perfect for doctors' offices, private practices, and patient rooms — the e900 series wall arms excel where space is limited.

**SPECIFICATIONS**

**e997 with eDesk & Extension Arm**

**ADDITIONAL CONFIGURATIONS**

**e997**

Standard Keyboard Tray with Slide Out Mousing surface.

**e997 with eDesk**

Sliding Work Surface with Integrated Keyboard and Mousing Tray

**e997 with Extension Arm**

Standard Keyboard Tray with Slide Out Mousing surface.

**eDESK DETAIL**

The optional eDesk [10" x 24" - 254 mm x 610 mm), gives you a generous work surface to prep meds, prepare documents or just set down your morning coffee. Additionally, the work surface slides six inches horizontally to give you access to the mouse when the keyboard isn't needed.

All contact surfaces are finished or made with anti-microbial materials and are designed to be smooth, comfortable and easy to clean — to help control infection and prevent dangerous bacteria from spreading.

**» STANDARDS**

- Antimicrobial surfaces
- 32" or 48" Wall Track
- Integrated cable management system
